

## Would you like to attract more clients?

### **JOIN A BUSINESS COACHING GROUP AND WATCH YOUR PRACTICE GROW!**

Scenario #1: You're an accomplished, well trained licensed clinician. In olden times, that was enough! You graduated, hung out your shingle, and began helping those who flocked to see you!

Scenario #2: You're an accomplished, well trained licensed clinician, credentialed with managed healthcare, contracted at their reimbursement rates. You'll fill your practice, but receive the same low pay for years.

Scenario #3: You're an accomplished, well trained licensed clinician. You see yourself as a professional, self-employed entrepreneurial business owner. Sounds impressive...but exactly how do you bring run the business of a therapy practice, and bring in paying clients?

**Smart small business owners (that's you!) recognize the need for business consultation, or coaching. In addition to working 'in' the business, we need to work 'on' the business to earn a living.**
